Re: Request for confidentiality

Applicant: Advanced Microwave Products

FCC ID: U8KVT15SC

To whom it may concern,

Request is hereby submitted by Advanced Microwave Products to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. This request for confidentiality is made pursuant to 47 CFR 0.457(d) of the FCC Rules.

In particular, the following sections of the application are to be kept confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Rationale for request for confidentiality:

Advanced Microwave Products has invested considerable time and materials in research and development to produce the referenced products. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Barry Lautzenhiser".

Barry Lautzenhiser
President
